13450 207.45 Total international shipping charge (SGD)
149.29 Total international shipping charge (USD)

1) Total weight of 13450 includes the weight of other Carters/Oshkosh parcels where international shipping charge is apportioned according to each item's weight and USA domestic shipping charge is shared by total no. of preweights
2) For Piggy_piglet, abbys and chocberry, you do not need to pay USD6 USA domestic shipping charge again after the missing parcel is shipped and ready for collection. Whatever excess I have offset against the international shipping of the above items that are ready for collection. If you still have excess, it will be used to offset the missing parcel's international shipping. In the event the parcel really goes missing, the money would be refunded back to you. Should have conclusion in 3 working days time as promised by USA congateway as they need to conduct warehouse search for it.
