

No	Items	Available / Remarks
<b>Clothes</b>		
1	Home Wear (Top & Bottom)	Sort by age - 3 -6mths onwards (Babies outgrow very fast so dun buy too many 0-3 mths ones)
2	Home Wear (Discharge from Hospital)	Get 1 set with mittens & Booties
3	Pajamas	
4	Shopping Wear	Toos / Bottoms / Mitten / Sock - Sort by age
5	Mittens/booties	
6	Head covering	
7	Sweater	Visit cold places such as clinic / hospital / shopping centre
8	Bibs	Bibs are usually used when they are older, feeding etc. Infants use handkerchiefs more.
9	Wrapping Blanket/Swaddle	Kiddly Palace or QD department store
10	Rubber bands (those small and colourful ones)	for mittens cos their wrists are very small so mittens drop easily, the rubber bands is just nice, wont leave marks on their wrists and helps to secure.
<b>Poo Poo Stuffs</b>		
1	Nappies	If using diaper then just get 1 new pack for wrapping ur bb or misc cleaning (check dimensions, some brands are very small, difficult to wrap/swaddle baby)
2	Diapers	For Newborn BB - get 1 set of the <b>PAMPERS PREMIUM / HUGGIES</b> (Babies outgrow very fast) when bb start to grow, get those less premium brands (affordable price)
3	Nappies Liners	If using nappies then you will need it - <b>Brand : Tollyjoy</b>
4	Nappies Protector	Optional
5	Nappy Rash Cream	Destin from Watsons/ California baby calendula cream from motherhood forum bulk purchase
6	Wet Wipes	Pigeon is so far the best wipes
7	Baby Powder	Any brand u like but I usually use cream and don't use powder cos they can breathe into lungs easily, not good
8	Changing Mat - Air Filled Cot Sheet	1 - Home / 1 - Out (don't buy those pink rubber type, very hot) by tollyjoy type more cooling
9	Diaper Bag	Look out for 1 with compartments (big and spacious cos next time when u need to bring porridge out for feeding too)
10	Ru Yi Yew	Medical Hall
11	Cotton Wool / Cotton balls	Normal Cotton Wool/can buy the roll ones to roll
12	Powder Container and Puff	Any brand u like but I usually use cream and don't use powder cos they can breathe into lungs easily, not good
13	BB Handchief	Get those <b>SOFT KIND</b> - wipe bb face
14	sterilized guaze	from pharmacy (to use to clean baby tongue with boiled water)
<b>Bath Stuffs</b>		
1	Bath Tub	Big Tube (Not sure if Hospital provide but Mount Alvernia Provide) as well as get a mini pail to raise bb hair - Can also get from IKEA
2	Mini mug for hair	
3	Small basin for face	
4	Small basin for butt	
5	Towels	2 x Big Towel (can also get Swaddling Towel) + 1 pack of Small Towel for Face
6	Tooth handkerchief	use sterilized guaze better
7	Baby wash and shampoo	Get Lactacyd
8	Baby Nail Clipper	Get from <b>PIGEON</b> - Optional
9	Comb	
10	Nose shit remover	optional
11	Baby Moisturising Cream / Lotion	california baby calendula cream can be use on the entire body even the face
12	Alcohol Wipe for Umbilical Cord	Can Check with Hospital if provided/ or just use boiled water to clean around also can
13	Cotton Buds - small one	To dry Belly Button after Umbilical Cord drops off
14	Sterilised Surgical Gauze	Cleaning Tongue
15	Rubber Mat	To be place at bottom of Bath Tub so that bb doesn't slip/ optional if confidence enough
<b>Feeding Stuff</b>		
1	Feeding Milk bottle	pigeon or avent is most popular
2	Bottles Warmer	Any brand u like/ not necessary can use a cup n soak for few mins also can
3	Powder Milk Container	if bringing baby out
4	Teats	For milk and 1 or 2 for thin fluid (water)
5	Breast Pump	Best to get <b>MEDELA Brand or AVENT PHILIPS</b>
6	Breast Pads - Washable	Cloth: Try medela
7	Breast Pads - Disposable	Best to get <b>PIGEON</b> or <b>TOLLYJOY Brand</b> (Get it from SALE)
8	Nursing Bras	Buy when U reach week 34 pregnancy onwards - Get from <b>Spring Maternity / Marks &amp; Spencer / John Littles</b>
9	Nipple Cream	Optional But you can get <b>MEDELA</b> or <b>AVENT Brand</b>
10	Thermal Flask	
11	Breastfeeding Cushion	Buy <b>MY BREAST FRIEND PILLOW</b> (Very Exp.but very Effective)
12	Milk Bottles Steriliser	<b>depends on the milk bottles u use</b>
13	drying rack	
14	Plastic Tongs	Unless Provide when U buy Milk Bottle Sterilised Bottle, if not get from Kiddly Palace or other Department Store/ rem to get those that can be sterilized as well
15	The First Year Storage Bag	Storage ur breastmilk when u return back to work.
